David Kilminster with Steven Wilson || Interview-Live Setup 2016

To **Guitarspot.Gr** in an exclusive interview with **David Kilminster** , on the occasion of his presence in Athens and the Badminton Theatre for the concert of the **Steven Wilson** on May 5, 2016.

The Head Judge of contest of **Guitarspot.Gr** the 2014 **Shut Up And Play Guitar Competition** , put us to the magical world of music genius called **Steven Wilson** , showed us the equipment, we talked about his return to appearances by **Roger Waters** in **Desert trip** , a history, and proved us of the biggest music events that the more accomplished and be a musician can remain affordable and true!

The **Dave** also mentioned in the very beginning, his personal records, except to grow a guitarist " then " and " now " , while he also expressed his opinion on whether excessive and immediate information of current times is something positive for the development of music personality.

All this was done just before the truly unique concert, all those who filled the beautiful theater space Badminton will remember for a lifetime!
