Keep a lookout for...Dave Kilminster!

Carol Miller

He's got a tough job, but someone's gotta do it... Dave is a winner of Britains' 'guitarist of the Year' award... and he's doing a great job on the 'David Gilmour part' on the Roger Waters tour... just played the Continental and the Garden, and will be back with Roger Waters on 7/7 for the Live Earth concert at at Giants Stadium... I just met Dave thru my friends at the BBC, a really cool guy,... he's also worked with Keith Emerson and other British legends, and just put out his own album "Scarlet." So, keep a lookout for him!
